The SimAUD organizers are pleased to announce an open call for workshops to be given in Delft on Monday, June 4th, 2018. The SimAUD Workshop Day welcomes proposals in a range of formats for either half day (3 hour) or full day (6 hour) sessions. Possible session formats include, but are not limited to the:

- Demonstration and/or hands-on instruction of a simulation-based tool or workflow.
- Theoretical introduction, overview, or break-out session on a simulation-based topic.
- Case-studies in simulation-based methods with a focus on application.

Upon acceptance, the SimAUD organizers will prepare the registration, provide space, and coordinate technology requests for workshop leaders. Workshops will be offered free-of-charge to registered conference participants, and at a fixed rate for unregistered attendees. No remuneration will be provided to those that offer a workshop.

Annual SimAUD Workshop Day 04 June 2018

Faculty of Architecture and the Built Environment
TU Delft, Delft, The Netherlands
